Item	Discussion	Action
Charities	<p>Lots of children have been asking the School Council about holding Bake Sales to raise money for their charities.</p> <p>As we raise money for one charity each term we cannot accommodate every request.</p>	<ul style="list-style-type: none">• Comic Relief is on the 24th March this year. Wear something red for a £1:00 donation e.g. socks, hairbands (World Book Day is on March 2nd and children will be able to dress up then)• Summer Term – we will raise money for a charity that is special to members of our school community
Who is in charge?	<p>We discussed who is in charge of learning and who is in charge when there is a problem on the playground. We discussed ways in which the children at London Meed are in charge of both of these things. We decided we are in charge of ourselves as learners and can choose learning behavior and challenges. Marking, peer and self- assessment helps us learn.</p> <p>When there is a problem on the playground we don't always need to go straight to an adult for help.</p>	<ul style="list-style-type: none">• Ask the children in our classes to put teacher marking, peer and self- assessment in order of importance and lead a discussion to explain reasons for choices• Role play scenarios in class – the same scene with two different ending; one where the children say how they are feeling and resolve the problem themselves and one when they go straight to an adult• Discuss situations where you would need to go straight to an adult
Learning Behaviours	<p>Learning characters. We need to remind people that the characters represent the behaviours that make a good learner.</p>	<ul style="list-style-type: none">• We will write descriptions for each behaviour that can be understood by children in The Orchard. We will do a presentation for them.• We will remind the rest of the school by doing a whole
