LMA Summer Fayre – 16th June 2018

We look forward to seeing you at our Circus themed Summer Fayre. The fun is happening from 12-3pm and it will help raise vital funds for the school. If you can spare any time to help set up in the morning from 8.30am or clear up after the event, we would be most grateful or we still require a few more helpers for stalls.

Tickets for the Circus skills are still available and will be sold on the door. The tickets cost £2.50 per child.

Meet the Teacher

My name is Lucy Hair. I am a class teacher with responsibility for Design and Technology. I did a degree in linguistics at Sussex University and then did a PGCE at Brighton University. After that, I taught at Birchwood Grove for seven years

before moving here. I have worked at London Meed for nearly seven years now (I started in EYFS with the current year sixes). The staff are a great team and I am lucky to work with fun and happy children.

I live in Hassocks with my husband, young son and an enormous British Shorthair cat called Bill. When I'm not at work, my time is mostly spent cooking, cleaning, washing and ironing – I don't get out much! However, when I do have time, I like to walk and see my friends.

Important – GDPR Photo Consent

Please ensure that you have returned a photo consent form for your child to the school office. Unfortunately, without consent we are unable to include any photos that contain your child in any communications or on social media. We are also unable to display the class photos in the foyer.

Do you have any questions, comments or suggestions for newsletter items or School Improvement?

Pop your question into an envelope and mark it for Ms Reece's attention and I'll either be in touch or include your item in the next Friday newsletter. Thank you

Yours sincerely,

Natalie Langtree, Deputy Head teacher

West Sussex Fire Service visit

On Wednesday 13th June EYFS enjoyed a visit from the Firefighters based in Burgess Hill. The children learnt all about the fire engine and equipment and were taught

the stop, drop and roll technique. They were also allowed to spray the hoses which they thoroughly enjoyed ☺

Waitrose

The Orchard enjoyed a behind the scenes visit to Waitrose Burgess Hill. The children learnt all about healthy eating, fruits from around the world and Fair trade by visiting Waitrose in Burgess Hill. We especially enjoyed being locked in the freezer. Thanks go to all our parent helpers and especially to Waitrose.

Book Review - Wonder

I have really enjoyed this book as it makes you understand you shouldn't judge someone and should focus on their personality. Some parts were very emotional and some were very happy. I would recommend this book to able and mature readers as it is very important to understand things

like bullying. It is like a diary, so if you like chatty books then this one is for you. There are some sad parts that could make you cry! Sabihah R 6B
