

The Orchard Spring 2017 - Lost in Time!

Please do not let the secrets out the bag and hold back from telling your child what stories and activities we will be doing together!

Weeks 1 and 2

The Unexpected Egg!

We will be looking at the fiction book 'The Dinosaur that Pooped Christmas!' by Tom Fletcher and Dougie Poynter to help us with our estimation skills of how many objects were eaten then pooped out by the dinosaur!

Weeks 3 + 4

Fact Finders.

We will be making use of a range of non-fiction books on dinosaurs to help us give a factual presentation using ICT. We will be classifying dinosaurs into different categories and giving reasons for their sorting.

Weeks 5

Teeth Thief!

We will be using our mathematical reasoning to make predictions about what is in a mysteriously left package. We will be creating a role play around the theme of a dinosaur going to the dentists!

Week 6.

We will be creating our own range of fact cards to create a top-trumps style dinosaur game and deciding how we will be grading their different dinosaur powers.

Week 7

We will be making artefacts and information posters for our 'Night in the Museum' fabulous finish. We will be creating clues for a picture treasure hunt.

SAVE THE DATE!

Thursday 16th February @ 5pm.

We will be hosting a 'Night in the Museum Pyjama Party' event by torchlight in the small school hall. We will be sharing a dinosaur story and then enjoying a hot-chocolate together.
