What an amazing week, last week. I wanted to start with the fantastic Summer Fair on Friday. What a brilliant event. I know the LMA has a section further down to thank everyone but I also wanted to take time to say thank you. Firstly, a MASSIVE thank you to our LMA - what an amazing job they did getting the fair organised and then running it - I cannot tell you how many hours have gone into getting the Summer Fair organised and last week, it really felt like the LMA were staff, as they were here so much. But what an amazing event they put on. I know everyone who attended had a great time and this was down to their fabulous organisation - well done. Thanks to our staff who helped both before the event and during - they gave up evenings and weekends to help alongside teaching all day. Our Year 6 children made us all so proud through their help on the day and during the fair running different stalls - thank you Year 6. Thank you to all of you for supporting our fair through donations, buying raffle tickets, volunteering behind the scenes and turning up and spending your money. We really really appreciate it as the money will go directly into providing more outside equipment for our children. Our next event is the Colour Run on Thursday.

On Monday last week, EYFS had a very hot, but fantastic, trip to Drusilla's. The children were talking all about the different animals they saw the next day. On Wednesday, we had our transition day. Many of our Year 6 went to spend the day at their new secondary school and from chats with them, all had a great time. Our new Reception children came and spent an hour in the Orchard that morning. It was lovely to meet some of our new children. The rest of the school spent some time with their new teachers after play and got to meet their new class friends and staff. On Thursday morning, St Wilfrids joined our Year 3 children for The Big Sing. The singing was beautiful and the children had such a great time. We also had the whole school take part in Ultimate Frisbee over Thursday and Friday and the teachers reported back that it was a lot of fun.

This week is a little calmer. Today, Year 3 went to visit St Johns Church as part of their RE topic. On Thursday, Year 6 have their dress rehearsal in front of the school. I know everyone is excited to see their performance. Thursday after school is the Colour Run. We look forward to seeing many of you there. On Friday, your child's annual report will come home, along with their attendance.

Next Monday and Tuesday is our Year 6 performance in the evening. We are so excited about this. We will have a bar open for refreshments so please do bring some money or cards with you so you can get a drink during the performance.

On Thursday, Year 3 took part in the Big Sing event hosted by West Sussex Music. All of the children learnt a pop song to perform, in front of students from St. Wilfrids, and they received positive praise for their hand actions and loud singing voices. The children also learned two songs about birds and enjoyed using their bodies as percussion instruments. Overall, the children had a lovely morning and it was a great event.

Trip to Drusillas

On Monday 30th June, all the children from Reception went to Drusillas Park. We enjoyed seeing and learning all about the animals in the zoo as well as getting to go on the safari train and have a play in the park, not to mention the all important picnic lunch. We attended a workshop all about Africa, and the Masai tribes who live in Africa, and we learnt about how life is different for the children who live there compared to us. We also got to dress up as Masai tribes people, see some artefacts from Masai land and learn all about the animals that live in Africa. It was a busy but really fun day and the children represented our school really well! Thanks to all of our parent volunteers who came with us on what was a very hot day!

A few reminders:

- This week is our last week for all clubs (other than Taekwondo, who have a ceremony arranged)
- Water Day - this is on Thursday 17th July in the morning. Your child will need to bring clothes they don't mind getting wet in, a towel and a water pistol no bigger than 30cm. It is a normal school uniform day.
- Friday 11th July, we will be placing all lost property into the KS1 and KS2 playgrounds. Where there are visible name tags, we have tried to return to pupils but unfortunately a large amount of items are without names. Any items that are left over will be distributed as spare clothing to classrooms or donated.

Year 6 Leavers Assembly:

The Year 6 Leavers' Assembly is on Tuesday 22nd July at 9.15am and this is for Year 6 parents only. We look forward to seeing you all there for their last assembly.

🌟 What an Amazing Summer Fair – Thank You All! 🎉

Hi everyone,

We just wanted to send a **huge and heartfelt THANK YOU** to every single one of you who helped make this year's **Summer Fair** such a brilliant event! 🥳

We're still finalising the accounts, but we're confident that we've raised a **fantastic amount for the school**, and none of it would have been possible without your support. It really was one of the most successful summer fairs we've ever had, and it was so lovely to see our **whole school community** come together.

We truly feel this was a **very successful afternoon** – not without its little hiccups right at the start (as with any live event! 😊) – but who really wants a 100% stress-free fair anyway? A bit of last-minute drama just adds to the excitement! 🗣️ And in the end, the **energy, laughter, and smiles** made it all more than worth it. 🎤😊

A special shout-out to **Year 6** 🙌 – not only did they create and run some wonderfully creative games, but they also rolled up their sleeves and helped with setting up in the afternoon. We're incredibly proud of their teamwork, maturity, and enthusiasm! 🙌

A massive thank you as well to all the **teachers and school staff** who supported the fair – from planning and set-up to lending a hand during the event itself. We know how busy this time of year is, and we truly appreciate your time and energy. And yes – we know the music got a *little* loud from 2:30pm (oops! 🗣️🗣️) – but it really felt like everyone was getting into the spirit, and we hope it added to the fun atmosphere!

To all the **parents and carers**, thank you so much for your incredible support over the last few weeks. From donating items, contributing with wonderful prizes for the raffles, to giving up your time to help run stalls and support the event on the day – your efforts made such a big difference and helped everything run so smoothly! 🙌🙌

A huge thank you to the entire **LMA Committee and Members**, who worked tirelessly behind the scenes for weeks (and months!) to plan, organise, and deliver a fair that we hope you'll all agree was a **joyful, fun-filled success**. 🌟🎉

And of course, last but not least, a big thank you to everyone who **came along to the fair**—children, parents, carers, grandparents, families, and friends; Your smiles, support and enthusiasm made the day what it was!

Personally, I'm incredibly proud of our school community, and so happy to see what we can all achieve when we come together. 😊🌈

Next week, we aim to share a summary of this year's events, donations and contributions to the school. You'll also have the chance to **share your feedback** on the summer fair, LMA activities in general, and anything else you'd like us to know. More details will be with you soon.

Thank you!

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell. There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't. For more guidance please visit <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If you do keep your child at home, it's important to notify the school on the first day before 9.20am to let them know that your child won't be in and give them the reason. You can leave a message on the absence line 01444 232336 or report their absence on the [Study Bugs App](#)

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, please let their teacher know via their year group email address.
