

# Welcome to LMA Corner

19/08/2026

The London Meed £20.26 Challenge has now come to an end, and our incredible students have raised an amazing £1,183 through a wide range of creative and inspiring efforts. From car washing and helping grandparents to baking, art projects, sponsored reading, and even learning new skills, the enthusiasm and imagination on display have been fantastic.

Thanks to the LMA matching this total, the grand amount raised has reached an impressive £2,366. As the £2,000 target was achieved, students have earned a non-uniform day on Thursday 26th March (Easter Discos day!).

Even better, as this was a student-led initiative, the children will decide how the money is spent, choosing between a messy kitchen or new playground bar equipment in a vote during assembly.

A large, stylized graphic of the number '£2,366' in yellow-green with a blue outline, set against a background of orange and yellow explosion-like shapes with radiating lines.

£2,366

Huge congratulations to everyone involved, and don't forget to collect your certificates from reception!
