Bravery Curiosity Resilience Community Respect

Hi all

Last week, we had an Open Morning on Wednesday for our potential new Reception children starting in September 2027. On Wednesday afternoon, siblings of children in Reception got to go and have a play with them. They had a fantastic time.

On Friday, we had an amazing ROAR day. All of Key Stage Two children worked in their houses in small groups to make an invention that helps the environment, people or animals. Each house picked a winner and then we voted for our overall winner. Representatives from the Burgess Hill Lions, Sue and John, came to help us with judging and handing out the medals. The children had such a great day, worked so well with each other and came up with such fantastic ideas. My particular favourites were a robot elephant that would stop poachers and a train that ran on hydrogen only. Our winner was a cereal bar machine for both humans and animals that was aimed at picky eaters. With an app, you could change the cereal bar flavour to one you liked. Second place was a Vets on Wheels, and joint third place was the Drain 3000 and the Spongebox Cleaner 1000. Thank you to all of our children for taking part and below are our winners and the three other winners from each house.

This week, we have the Book Nook joining us for a Book Fair. Books will be available to buy during our two Parents Evenings this week. We have Parents Evenings on Tuesday and Wednesday. On Wednesday, we are taking our Year 6 Junior Governors to the War memorial in town for an Armistice service. Friday is a non-uniform day for donations of chocolates and sweets for our Christmas Fair.

Anti-Bullying Week - Monday 16th November to Friday 20th November:

We will be taking part in Anti-Bullying week and the theme this year is 'Break the Silence'. We start this with Odd Socks Day on Monday 16th November. We are asking all children to wear off socks on this day. It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique. You can take part in this too! We will be having assemblies that look at what bullying is and what we can do to stop bullying, as well as activities in the classroom.

Parents Evening:

These are on Tuesday 10th November from 3.30pm to 6.30pm and on Wednesday 11th November from 3.30pm to 6.00pm. The booking is open for both. Please help us to run to time by keeping to the 10 minute slot allocated. If you need further time, you can ask to make a further appointment.

Christmas Fair:

The Christmas fair date has moved to Saturday 28th November. The LMA are looking for as much help with stalls as possible so please let them know if you and your child can help during the day on a stall.

Poppies:

We will be selling poppies from Monday 2nd November in preparation for Armistice Day on Wednesday 11th November. The Year 6 children will bring the poppies around to the classrooms each day so please make sure your child's donation is clearly marked in an envelope with their name on.

Tesco Award - Very Exciting - keep collecting the blue tokens to help our school win:

This ends on the 30th November so please keep collecting tokens when you go to Tesco and remind all of your families, friends, neighbours and colleagues to help collect for us too. The project with the highest number of votes across our region will receive £1,500 (or the amount that was requested up to this value), the second placed project £1,000 (or the amount that was requested up to this value), and the third placed project £500.
