

## English

We will be reading 'The Biscuit Bear' and 'The Gingerbread Man'. We will use these texts as inspiration for writing: instructions, speech bubbles, descriptive settings, letters and alternative endings.

## Science

Animal antics.  
Identifying common animals.  
We will be finding out how animals are classified and how they adapt to their environment.

## DT

We will design, make and decorate a Biscuit Bear of our own.

## P.E

Travelling skills - How can I travel in the space, in formations, with others, from one place to another?  
Gymnastics Apparatus skills

## Art

We will investigate wax resist to create a background then use collage to create a gingerbread man and combine the two to make a picture.

## Geography

We will find the North and South poles and the Equator on the globe. We will watch a short film explaining how brown bears evolved into polar bears.

# Biscuits, bears and bees. Year One Spring one 2019

## Music

We will be joined by a music visitor to lead us in a series of workshops to explore rhythm, play tuned and untuned instruments and listen to a range of music.

## Computing

We will use the Code Karts app as an introduction to giving a sequence of instructions and debugging. We will develop this further with Beebots.  
We will use programs and play games that allow us to develop our control of the mouse on a desktop computer.

## History

We will look at toys from the past and those we have now and finding similarities and differences.

## Maths

Shape, place value, problems involving addition, problems involving subtraction and fractions.

## PSHCE

Keeping healthy  
Looking after our diet.  
Looking after our teeth.  
What is sleep for?

## RE

Islam:  
What Muslims believe.
