

Computing

We will be continuing to learn about e-safety and develop our understanding of algorithms further.

English

We shall be looking at the traditional tale of Hansel and Gretel and writing our own versions. We shall also be looking at food around the world and where food comes from.

Topic

Our topic is all about food, where it comes from and how it is used. We shall be visiting Plumpton College Farm to see this in action.

Art

We shall be using a range of art techniques and creating work in the styles of Cezanne and Arcimboldo.

Science

We will be learning about digestion and teeth, as well as animal and human biology. We will also learn about electricity.

Maths

We will be learning about shape, coordinates, symmetry, area, perimeter and ways of presenting statistical data.

Food, Glorious Food Year 4 Spring Term

P.E

In P.E, we shall be doing dance, gymnastics, yoga and football.

R.E

We will be learning about Hinduism and the Easter Story.

D & T

We will be learning about preparing food, healthy eating and hygiene linked to food.

Music

We will use instruments to create a musical composition based on the story of Hansel and Gretel.

MFL

We will be learning to talk and write about a traditional story in French.

PSHCE

We will be using the text 'If the world were a village' to consider society and the global community's resources.

Welcome back to a new term of school! We are looking forward to working with your children and learning lots of interesting and exciting things through our new topic, Food, Glorious Food.

PE is now held on **Monday and Thursday in 4J and 4D.** Children will need a pair of black shorts, trainers (or plimsolls) that fit, and their P.E tops. **During cold weather, children may wear tracksuit bottoms. Earrings should be removed for P.E. or covered with tape.**

Please read with your child at least 4 times per week and sign their reading records to show this has happened.

Home learning is set on Friday and due back the following Wednesday. Maths home learning is now set through Mathletics which your child has an individual log on for. Home learning should take around 30 minutes to complete, but please let us know if there are any issues that we can work to solve.
