

English:

We will look at a variety of non-fiction texts about woodland and write questions so we can find out more. We will write fact files about the habitats of woodland animals.

We will read Little Red Riding Hood and use actions to retell the story. We will annotate illustrations from the book to write the story.

We will read The Deep Dark Wood by Algy Craig Hall and we will write sentences describing our own monster best friend and write instructions on how to make sandwiches for a picnic.

Geography

Notice the features around us as we go for our welly walk.
What is man-made? What is natural?
Where around our school can we find woodland?

Computing

We will access and use a 2Simple program to make an image that looks like the forest.

We will use Hector Protector resources.

RSHE

Class charter.
Healthy lifestyles.
Growing and changing.

R.E

Christian values
(Families)

Stunning Start

We will go for a senses walk in the woods where we will find a box containing Freddie Fox and a letter from him. The letter will inform us of Freddie's favourite things about the woods and will ask us to write questions in order to find out more about the woods.

Into the Woods

Autumn 1 Year 1

DT

We will build a bridge to cross the river. A family of badgers are stuck on one side of the river. We need to help them cross but they are scared and need a strong bridge.

Music

We will learn well known songs (rhythmic poems) with different lyrics related to the woods/forest.

Maths:

Counting to and across 100, find one more and one less than, read and write number from 10-20, ordinal language (1st, 2nd, 3rd) , addition.

Science

Growing Great

We are growing our own plants in order to identify and describe the basic structure of common plants.
We will write how to care for seeds and plants.
We will explore the plants and trees in the school

Art

Mix water colours to create a mixed green background- which shades will you include? Paint a woodland animal and outline with a black pen. Combine to create a humanities book cover.

P.E

We will practice movements including running, jumping, throwing and catching.
Games / Multi-skills
