About WOW Club

WOW Club is a fun, friendly and interactive setting. Our focus is to provide an environment where children can learn through play. We aim to extend social and learning opportunities beyond the children's school day and to surround them with a team of caring staff who will get to know your child and plan activities to nurture their interests.

We offer a range of extra-curricular clubs that run alongside our main provision. These clubs are run in smaller groups with dedicated staff and are more structured than our main club. We charge a small additional fee for these clubs. The timetable for next term's extra-curricular clubs can be found below.

Outside of structured clubs, children can enjoy free play outside with our sports equipment such as football, cricket, badminton, or just simply run around! We offer different resources that children can use to create their own world outside in the school playgrounds. We encourage children to go outside in all weather and they love the fresh air.

Inside, we have at least three stations, where children can join our daily, staffed arts and crafts activity, play with lego, play interactive board and card games, read books, or play freely with their friends.

We also have a soft Play Zone - this is just for our reception children. Although children in reception can use everywhere in the club, and they do, they also have this space just for

them which is full of toys for them to play with if they need a bit of down time after their day at school.

If you'd like to know about how we work, you can have a look at our [WOW Club Policies and Procedures](#). We are always happy to answer questions about these so do contact us if you need to!

Breakfast Club

Breakfast Club starts at 7.15am and runs until children are taken to their classrooms for the start of the school day. Breakfast is provided until 8.00am, and children who arrive after this time will not be offered food. Children should bring their own water bottles to drink.

We provide fresh fruit, cereal and toast and will cater for all dietary requirements for those children with regular club bookings. If you book an ad hoc session, we will do our best to cater for dietary requirements but we cannot guarantee this will be possible.

Children will have the opportunity to play indoors or outdoors during Breakfast Club.

After School Club

After School club starts when your child finishes school, we collect them from their classroom and take them into the hall where they first sit to enjoy a fruit snack provided by us or their own lunchbox snacks while they catch up with friends. We offer early (until 5pm), full (until 6pm) sessions and always hold some spaces for ad hoc bookings for those days where you just need a bit of extra time, as well as extensions if you're booked for an early session but can't make it on time! We are flexible with pick up times and you can ring our doorbell if you arrive early to take your child home.

Children will then join extra-curricular clubs they are booked in for or enjoy free play, inside or outside.

After 5pm we have our tea time. Children are offered toasted wraps or sandwiches with a choice of fillings, veggies on the side and a squirty yogurt for dessert.

About our Extra-Curricular Clubs:

Extra-curricular clubs cost £2.50 in addition to your main WOW Club fee. The sessions are run in smaller groups, are more structured and are run by dedicated club staff. Here's what you can expect:

Art Club:

This is a focused art session, using a variety of media in a vibrant, multi-sensory creative hub designed to build confidence, fine motor skills, and self-expression through hands-on exploration.

Multisports:

Run by our local, professional sports coach, Luca Slaney. Luca focusses on a new sport each week, running mini-skills sessions and giving children an idea of all the amazing sports out there. He runs sessions on mainstream sports, but also some of the lesser known ones. Our active children absolutely love Luca's sessions.

Ukulele and Guitar Club:

The wonderful guitar teacher Fergus is joining our after school team and will take a small group of children from years 4 - 6 to teach group guitar lessons. Please come with a guitar if your child has one, if not please let us know and we can allocate spares.

Fergus is also taking this fun ukulele class for children in years 3 - 6. It is designed to get kids playing full songs within their very first session. At this age, children have developed the fine motor skills and attention spans needed to learn proper finger placement while still thriving on games, rhythm exercises, and group play.

Street Dance:

London Meed's own gymnastic teacher runs Street Dance, a high-energy, dynamic session set to upbeat urban and pop music. Kids learn foundational hip-hop, breaking, and commercial styles through fun warm-ups, isolations, and choreographed routines. It is designed to boost fitness, build confidence, and encourage individual self-expression.

Taekwondo:

Taekwondo, run by Gordon and his assistant, is a highly structured, energetic, and safe environment designed to build physical fitness while instilling life skills like discipline, respect, and self-regulation.

Book Club:

Children will look at books together and in small groups, thinking about the texts and examining pictures where applicable. The group will be split according to ages and abilities if necessary. It is a lovely way to wind down at the end of a busy week.

Gymnastics:

Our gymnastics sessions are run by three enthusiastic coaches who really drive the children to learn from them and these sessions are friendly and inclusive. Children will learn and improve their gymnastics skills each week.

Lego Club:

Children will have access to a huge box of lego kits with instructions and can build their own set or work with friends! Children can choose from a huge variety of kits from Disney to Star Wars as well as traditional construction sets. We encourage the children to take care of their kits and take pride in their creations!

Tumblers:

Open to Reception and Year 1 only, this is an opportunity for our youngest children to move, swing, balance and roll across our gymnastics equipment! This session is unstructured but supervised, and we set up a short course using PE equipment and cover the floor in soft mats so that children can test their agility skills and are encouraged to follow the course.

Scooter Club:

Scooter club is a chance for all of our children to let off some steam on wheels! We provide helmets, protective pads and scooters, so don't worry about providing your own. We use a one-way 'rink' system and also have ramps so the children can try out some stunts!

Holiday Club

We run our holiday club during every half term break, one week over Easter and three weeks during the Summer.

We take all holiday club bookings through [Magic Booking](#).

Our holiday club days are filled with fun activities with opt in structured sessions and free play. Children love coming to WOW club because they can choose activities which cater to their interests and enjoy lots of free play time too.

Children should wear comfortable clothes, seasonally appropriate layers, and bring two snacks, a packed lunch and a named water bottle to holiday club.

We start at 8.30am and offer a school day (until 3.30pm) or a full day (until 6.00pm) session option. While your child is with us, they will have the opportunity to take part in a range of sporty, creative, outdoor and indoor activities. Here is what a typical day looks like:
