Happy New Year. We hope you all had a good Christmas break and that the children are all looking forward to being back at school. We also hope the children enjoyed their snow day yesterday and got to play outside. While we do have the cold and icy weather, we ask that your child brings in a warm coat for playtimes and lunchtimes. For today and tomorrow, we will be using the field to play on, so your child will need wellies. If your child has outgrown their wellies, please donate them to school for other children to use. The Holmesdale gate will remain closed until the ice on the steps thaws.

We had such a lovely last week of school. We had our Christmas lunch and the office decorated the hall ready for the children.

We then had our party day and the children enjoyed a biscuit, packet of crisps and drink provided by our LMA. They played party games and had a disco in their year groups.

We then had our beautiful carol concert. I have to say, this is one of my favourite events of the school year - everything about it makes me feel so grateful for what I do. The choir was just amazing and their singing gave me goosebumps! The poems were fab and so were the children reading them. The whole thing hopefully got everyone feeling Christmassy. A huge thank you to Mrs Dudding and Mrs Stacey for teaching the children and choir the songs, and playing the piano and glockenspiel in the church, to the staff for putting together the poems, to our amazing parent volunteers who man the roads so we can all cross safely, and to our fantastic children for putting on such a good show. Thank you also to Father David and Colin for sorting out the technical arrangements and allowing us to use the church. Thank you to everyone who donated to the collection. We raised about £160 which was split between the church and The Pantry. Mr Terrill and two Year 6 children dropped the money to The Pantry on the way back to school and they were incredibly grateful for this.

Then in the afternoon, we had a really special treat. One of our Year 4 children won a road safety competition to create a new mascot to join Amber and Kerby. His mascot was Sally Stop. Volker Road safety came in and presented the boy with a £100 book voucher for himself and a £1,000 for the school to spend on anything! We also got a cardboard cut out of Sally Stop, and Sally will be made into a real life mascot to support road safety in schools.

On our last week before Christmas, Victoria from St Peter and St James Hospice visited to collect the funds we raised with our Elf Run. As always, she was extremely grateful and we hope that our efforts will help support some local families.

During the last week of term, pupils from Year 4 took moving toys that they'd made in DT to show pupils in EYFS. The younger children had a great time playing with them.

On the last Friday, we held our half termly reading raffle and the winners were:

Violet in Apples, Ivy in Cherries, Olivia in 1C, Brooke in 1M, Liam in 2O, May and 3N, Elliot in 3T, Freddie in 4A, Avataj in 4SB, Tej in 5M, Lua in 5B, Paige in 6D and Freya in 6H.

I then had my last hot chocolate session of 2025 with the lovely children below.

This new term has started today with each year group starting a new topic. Year 3 is having a stunning start to their Ancient China topic today. They have a day spent learning martial arts, calligraphy and dragon dancing. I will also be having hot chocolate Friday and cannot wait to meet who has been chosen this week.

## Change to end of day procedures for Key Stage 2 children:

There is a form coming home today regarding changes to our end of day procedures following a safeguarding review. The changes are as follows:

- Pupils in Years 5 and 6 are allowed to walk home alone if permission has been given by parents or carers.
- Pupils in Years 5 and 6 can collect younger siblings from Year 4 upwards to walk them to the gate. Permission to do this must be given by parents or carers.
- Pupils in Year 4 can meet parents or carers at the front gate. Permission to do this must be given by parents or carers.
- Pupils in Year 4 can go through the school to meet younger siblings in their classrooms. Permission to do this must be given by parents or carers.
- Pupils from EYFS up to Year 3 must be collected from their classroom by a parent, carer or older sibling (of secondary school age or older).

## OPAL collections:

We are looking for the following donations to support our OPAL play - old wellies, pool noodles, foam padding, yoga mats, kitchen pots and pans, utensils, sieves and colanders. If you are having a new kitchen we are after old sinks and cupboards to help build our own mud kitchens. We also need picnic benches and benches.

## IS MY CHILD TOO ILL FOR SCHOOL?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't. For more guidance please visit

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If you do keep your child at home, it's important to notify the school on the first day before 9.20am to let them know that your child won't be in and give them the reason.

You can leave a message on the absence line 01444 232336 or report their absence on the Study Bugs App

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, please let their teacher know via their year group email address.
