

Risk assessment for Safeguarding September 2020

Persons at risk: All pupils

Hazard	Control measures	Person/s responsible	Comments (including whether control measures are not in place)
No DSL available to lead school safeguarding provision, or lead response to a specific safeguarding situation	One of three DSLs to always be on site	NL, JV, JT	Telephone call to vulnerable pupils who are not in school (weekly)
Non-compliance / not all staff being aware of existing statutory and C-19 safeguarding policies and guidance	Clear implementation plan shared with all staff prior to and including Inset day on 3.9.20	NL, JV, JT	Staff complied fully with previous Risk Assessment
Safeguarding risks to all children not attending school, including those the school have previously identified as vulnerable.	Effective safeguarding activity to monitor children remotely, including with partner agencies where applicable.	NL, JV, JT	Regular phone calls have been made throughout lockdown, particularly to vulnerable children. From September, all children are required to be in school. Any non- reported absences will be followed up promptly.
