Dear Parents/Carers,

### Wild West Fest

..... was referred to positively by every child who attended. We would like to thank all of our dedicated and hard-

working LMA, especially those of you who stayed behind to help restore furniture and equipment to its rightful place once the fun was over. It was especially poignant for those who have children in Y6 (except we did have past members who came back to help even though their children were at secondary) and I have to mention Olivia at this point because, my goodness, she has worked so hard on our behalf! She has presided over a committee which has raised significant amounts of money for our school and so, has made a difference to every single pupil at our school over the last 12 years. The baton has been handed on to others now – good luck (no pressure).

### Ipads

A huge thank you to the LMA who have provided £15,000 recently. This has enabled us to provide 6 i-pads per year group. These resources will be of great value to all our children and staff.

### Science Week

Children have enjoyed a Science themed week. On Monday we had STEM ambassadors deliver an assembly followed by workshops for KS2, Fizz Pop attended an assembly on Wednesday followed by the RSPB working with all year groups on Thursday and Friday.

### Climate Change Action

Isla, Tia, April and Lana from 3S devised and led an assembly on reducing pollution. As a consequence, a question was posed for children to respond to 'How can you stop pollution?', many responses from our pupils included making a reduction in car journeys so please reflect that back to your son or daughter when you are making decisions about whether to drive – or walk - to school.

Do you have any questions, comments or suggestions for newsletter items or School Improvement? Pop your question into an envelope and mark it for Ms Reece's attention and I'll either be in touch or include your item in the next Friday newsletter. Thank you. Yours sincerely, Candida Reece, Head teacher
