Lunch Times	Mrs Cox joined the meeting and explained that a lot of food is being dropped on the floor at lunch time and tables are not being cleared properly.	A memo has been written and children will read it to their classes and remind pupils of correct lunchtime behaviour.
School Vision	We looked at the wording of our current school “vision” and decided it was too long and not very memorable.	Pupils will discuss the “vision” with their classes and come up with some alternatives that still reflect our values.
A.O.B	Ideas from classes were put forward and discussed.	We will think about how to get more books for class reading corners at another meeting.
