

Dear parents,

I hope you and your children are safe and well.

I'd like to support you all during these tough times and so I've written a beatbox song called 'Home Together' where children can learn five beats and perform the song.

The first video will premiere Tuesday 12th May at 3pm on YouTube. Here's the link: <https://youtu.be/s8PvQ0U4UW4>. I hope to see you then as I'll be responding to comments live. This can of course be streamed at a later date too.

Along with the video, there is a link to a free Beatbox book that I have specially created for your children to enjoy during these challenging times. You can access this by clicking on the link underneath the video.

I hope to see your family on Tuesday at 3pm.

Take care of yourselves.

Ollie
