

Dear Parents and Carers,

We began our very busy week with a visit from our Local Authority advisor and Tricia Eastley, our Chair of Governors. The focus of the visit was reading and they listened to children from EYFS, Years 1, 2 and 3 read their Phonics Bug books and talked to a group of children from Year 6 about the impact of their reading on their writing. The outcome of the meeting was positive and we are making good progress towards our Ofsted priorities. As always, I was so proud of the way our children engaged with our visitors.

I have been very impressed this week with the behaviour of our children as they move around the school. They are consistently polite and friendly, hold doors open for adults and other children and pick up items of lost property. They really are a delight to be with.

We are so looking forward to seeing parents and carers at the face- to- face Parent Consultations that are taking place next week. Parents should enter via the main entrance door by the school office. There will be members of the Senior Leadership Team available to direct you to the right place. Outside each classroom, you will find your child's exercise books for this year. Please allow enough time before your appointment to enjoy celebrating all the lovely work that has been done since September.

There will be no internal clubs next week but the external led clubs (RMA football, Dance Mats and Music clubs) will proceed as normal.

Have a super weekend.

Considerate Parking

Please can we remind parents to not park in front of the staff car park bays at drop off and pick up times. We have had a number of staff who have been late for appointments as they have been blocked in.

Book Battle

For the Book Battle, children chose a book and wrote a review, to encourage children to read it. Each class held heats, and chose a class champion. Each class champion then went on to represent their

class in a Junior assembly, speaking in front of all the children.

Jenia, 6D, chose a graphic novel, Demon Slayers by Hajime Kanzaka and Shoko Yoshinaka.

She explained it was a Manga book and that it was read from the back to the front. She named the book and author and spoke about the plot twists, telling us some of what happened in the story. She won the Years 5 and 6 preliminary round by popular choice.

Thomas from 3W won the preliminary round for Years 3 and 4 with the picture book 'Superpoop' by Sam Harper. He named the book and author and spoke confidently when telling us what the book was about, showed the pictures and named the characters.

Not only did Thomas win the preliminary round, he went on to win overall when he went head to head against Jenia in the final.

Charity donations for Refugees

As part of our RHSE, our children have been learning about charities. Due to the current conflicts in Ukraine, Year 5 have decided to support a local charity and help them gather donations for refugees. Astra Recycling will be collecting these from London Meed on Wednesday 16th March. Therefore, we will be taking in donations on Tuesday 15th after school (3-3.30pm) and Wednesday 16th before school (8.30-9.00am).

The items we have been asked to collect are: shoes, sleeping bags, torches, batteries, wound dressings, nappies, blankets, thermal flasks, backpacks, gloves, hats, tinned meat/fish/veg-toilet paper, towels, thermal clothing.

Many thanks,

Miss Parker and Mrs Smith - Year 5 Teachers

Red Nose Day

As it is Red Nose Day 2022 on 18.3.22,, we invite all children to wear their own clothes next Friday in exchange for a voluntary donation.

Year 1 Pirate Day

Last Friday,

Year 1 had the most exciting pirate day! The children looked fantastic (as did the staff!) in their pirate outfits and spent the day engaged in pirate activities. We had a treasure hunt that ended when we found a treasure chest full of chocolate coins. We made photographs of our faces into pirates by adding beards, hats and eye patches - we even made up our own pirate names! We did pirate P.E where we climbed the rigging, walked the plank and dived into the sea. Louis said, "I wish we could do this every Friday!"

Year 1 Team

Zoo Boy by Sophie Thompson, illustrated by Rebecca Ashdown

"There was a boy who didn't like animals. One day Dad took him to work at the zoo. There he realised that he had a gift from his Grandpa Jacko, he could talk to animals. He was able to listen to what they wanted to eat and how they wanted to play. The penguin wanted lots and lots of fish fingers and the flamingo would only eat pink food!"

I would highly recommend this book because it is 'eye popping'. There are so many animals to find out about and you can even learn the sorry song!

NSPCC guidance

A steady routine can help provide stability in a child's life, which can give children and young people a sense of security and help reduce stress. Here are some tips the NSPCC suggests:

- plan regular weekly activities, such as seeing friends and relatives or taking part in a club or hobby
- have regular mealtimes
- set and stick to bed times, particularly for younger children, as sleep is important for children's mental and physical wellbeing (NHS, 2020)
- establish a night time routine for younger children, such as reading a story before bed and working with older children to create a routine that works for them – including homework, seeing friends, extra-curricular activities and time offline.

The NSPCC website also has a range of information to help parents and carers support their child's mental health.

<https://www.nspcc.org.uk/keeping-children-safe/childrens-mental-health/>

Some parents and carers may feel unsure about how to talk to their child about feelings and emotions. Share the following pointers to help them start a conversation with their child:

- choose an appropriate time when others aren't around or where you won't be interrupted, actively listen to how your child feels, be patient and let your child talk in their own time to make it clear that you support them.

Brighton & Hove Albion v Arsenal Ladies Football

To celebrate International Women's Day, we are inviting your affiliated clubs to attend our Women's Super League game at The People's Pension Stadium against Arsenal. The fixture against the league leaders will take place on Sunday 13 March, with a 6.45pm kick-off and we'd love you to join us to make it an atmosphere to remember! Having already broken the record attendance at our home ground in Crawley once this year, the women's side are looking to go one better by beating it again for the second time.

That's why we are inviting schools from across Sussex across all sports, to join us for what is set to be an exciting fixture.
